what will you do?

1. If you notice leaky faucets or toilets on campus, report to Campus Services: 404.727.7464
2. Turn off the water while you brush your teeth or lather your hands
3. Keep your showers under 5 minutes
4. Collect the water you use for rinsing, pots, pans or produce and reuse it to water plants
5. When doing laundry, match the water level to size of the load
