ATTENTION ALL OCCUPANTS OF ALL BUILDINGS—EVENT OPEN AT TO ALL

Be Water Wise.

RAIN BARREL WORKSHOP

Hosted by Chattahoochee RiverKeeper, Emory University’s Office of Sustainability Initiatives, and Glenn Memorial’s Environmental Committee

Learn about water conservation, water wise gardening and rain barrel installation and harvesting. The $40 fee includes your own rain barrel! Non-paying attendees are welcome but won’t receive a rain barrel. No registration necessary for non-paying attendees.

MARCH 24

It’s a rain barrel workshop in action.

When: Sunday, March 24th, 1-2pm
Where: Judson C. Ward Fellowship Hall in the Church School Building, Glenn Memorial Church 1660 N. Decatur Rd.

REGISTER HERE: http://goo.gl/S34tb or scan code to the left

Accessible entrance to the Church School Building is available by way of a ramp at the northwest side of the building (nearest to the sanctuary and the Emory campus). The ramp leads to an inferior elevator that provides access to all floors of the Church School Building, including The Little Chapel.

Free Parking available in the nearby Fishburne Deck.
