

# GREEN OFFICES AT EMORY

## Green Office Point Allocation

Each Green Office is certified using a point system associated with each item on the checklist. Ranging from 0-3 points, each checklist item is added up and taken out of 100 points. Green Offices will earn zero points when a checklist item is categorized as “not implementing” or “planning to implement” and may earn full points for any item that is “not applicable” or “in place”.

The point allocation is as follows:

<i>Certification Level</i>	<i># of Points Needed</i>
<i>Platinum</i>	100
<i>Gold</i>	85
<i>Silver</i>	70
<i>Bronze</i>	50

Listed below are the points Green Offices may earn per checklist item.
