

Out with the old, in with the new

More sizes, voltages and temperature ranges than ever before!

Now through April 30, 2017

Trade-up to a Thermo Scientific TSX Series refrigerator, freezer or ultra-low freezer*

TSX Series ultra-low freezers

- **Two sizes:** 400 or 600 box capacity (2-inch box)
- **Energy savings:** just 6.5 kWh/day (TSX400) and 7.8 kWh/day (TSX600) at -70°C setpoint
- **Quiet:** only 47.4 dBA (TSX400) and 46.9 dBA (TSX600)

NEW—TSX Series high-performance lab refrigerators

- **Quiet:** just 52 dBA—up to 10x quieter than previous generation**
- **V-drive:** significant reduction in energy with alternate compressor technology
- **Ergonomic design:** slanted controller to help prevent neck strain and comfortable door handle

NEW—TSX Series high-performance lab freezers

- **Two choices:** -30°C auto defrost or -20°C manual defrost
- **Quiet:** just 52 dBA for -30°C and 50 dBA for -20°C
- **V-drive:** significant reduction in energy with alternate compressor technology

All TSX Series models are manufactured in a zero-waste facility and contain natural, hydrocarbon refrigerants that are compliant with the U.S. Environmental Protection Agency's Significant New Alternatives Policy (SNAP)***

* See reverse for specific, eligible models

** Thermo Scientific™ high-performance refrigerators and freezers

Please order using these special catalog numbers to take advantage of pricing on ultra-low freezers, lab refrigerators, lab freezers and environmentally-friendly disposal of old unit. No redemption necessary. Please include your contact information with your order. You will be contacted by Thermo Fisher Scientific and sent a Bio-Hazard Certificate for Disposal form which must be completed and returned per instructions on the form, prior to the shipment of your new unit. Once the form is received back to Thermo Fisher Scientific, and your unit ships, you will be contacted by the carrier to schedule the delivery date. In the event that your old unit is not ready to be removed at the time of the scheduled delivery date and a return trip by the carrier to pick up your old unit is necessary, a \$550.00 fee will apply. ***Haul away of old unit is required to take advantage of this limited time promotional pricing offer. Please have old units asset tags removed before the scheduled delivery date. **Old unit must be at room temperature and decontamination form must be received by Thermo Fisher Scientific before freezer can be removed from site. Offer is for purchase and trade-in of like temperature units.**

Valid in the United States for orders placed between Jan. 1, 2017 and April 30, 2017 and only in connection with products identified above. Pricing in U.S. dollars. Valid in U.S. only. All pricing information and values based on current manufacturer's suggested list price. "Savings" or "Discount" indicated herein represent the maximum difference between the standard manufacturer's suggested list price of the product with any other offer or discount. Void where prohibited by law or company policy. Please note that terms represented at no cost represent "in-kind discounts" and should be reported accordingly. In addition, the value of any specific offer(s) the customer may receive from the manufacturer under this program is a "discount or other reduction in price" to the customer under section 112BB(b)(3)(A) of the Social Security Act [42 U.S.C. 1320a-7b (b)(3)(a)]. Accordingly, the customer shall disclose this and any other discounts or other reduction in price received under this program under any state or federal program which provides cost or charge-based reimbursements to the customer for the products or services purchased under this program. Prices and specifications or products are subject to change at any time. Not to be combined with any other offers. Promotional offer begins January 1, 2017 and ends April 30, 2017. Void where prohibited by law.
